SUFFOLK TRANSPORTATION SERVICE, INC

SUFFOLK BUS CORP.

HAPPY THANKSGIVING! We hope you have a wonderful day celebrating all there is to be thankful for. We are thankful to each and everyone for their dedication and service to the Company and your customers!

SHOUT

OUTS

MEHMOOD CHOUDHRY: We received the following email from a parent in the Three Village School District whose children ride on Mehmood Choudhry's bus: "We wanted to take a moment and acknowledge the bus driver, Mehmood. He is extremely careful and makes us feel safe with his driving and the way he looks out for the children. He is also very kind to the kids. Mehmood is responsive and compassionate. He has also enforced the mask rule. We know that the job is not an easy one at all, and it is such a good feeling to know that our kids are in great hands".

ASHLEY PADULA: One of our clients called to compliment Call Center Agent, Ashley Padula, the client said she was very nice and went out of her way to help. Another client also called to compliment Ashley stating she was kind, helpful, and an asset to our Company. The client also said that Ashley did not rush her and that was refreshing.

KARL SUNDQUIST: Karl is a large bus driver for the Hauppauge School District. He was honored at a Veterans Day Assembly and written up in the local school paper. "To say that Karl is a special bus driver is an understatement. He is more than that to his student passengers and their parents. He has become a special, trusted friend.

With his easygoing personality and comfortable way, the children he drives know that he respects them, and they show him that same respect in return. On his birthday recently both students and parents alike showed their love and appreciation for him by giving him cards and recognizing his special day; they also remember him on all holidays. Karl loves doing his job. He is working through his retirement, but it doesn't feel like work to him. He said he will really retire "when driving a bus turns into a job".

BAY SHORE-BRIGHTWATERS RESCUE AMBULANCE: They appreciated our assistance, support, and time during the October monthly training on school bus accidents. Their members learned so much and recognized how our staff was so knowledgeable and helpful.

TRANSIT PICK: The Transit pick is scheduled to start on December 6. It is recommended that all operators have several picks submitted. The pick and the pick schedule are on My Parking Space and will be updated twice per day.

"Two kinds of gratitude: the sudden kind we feel for what we receive; the larger kind we feel for what we give."

Happy Thanksgiving
