SHOUT OUT: We received an email from Maryhaven regarding Humberto Cubilete, driver assistant for Maryhaven. One of his clients ran towards the street and Humberto was able to quickly catch up to her and steer her back to the bus. He was very kind and gentle with the client. Humberto was instrumental in preventing a dangerous situation. Maryhaven, along with the Company, appreciates Humberto's work ethic and dedication to his job and his clients. We are proud to have him on our team!

NEW COVID MASK POLICY: Our updated mask policy can be found on My Parking Space. Click on "Notifications", click on "Forms". Your Supervisor can also provide you with a copy. Masks and vaccinations have been a source of relief to some and aggravation to others. In this country and at our Company, we all are entitled to an opinion, but we must not impose our opinions on others in the workplace. We need to respect each other whether vaccinated or not or if we would like to wear a mask or not. Everyone's personal situation is different. Thank you all for what you have done for the Company and our customers during this pandemic and for making this Company the great Company that it is. Please remember to be mindful of social distancing as well as proper hygiene which includes hand washing and coughing into your elbow.
