iPAD IN DRIVER'S ROOMS: Our IT Dept. visited every Center accessing each iPad in the driver's rooms. They have been repaired, updated, and confirmed that all iPads are now working.

SHOUT OUT: We received the following email from the Program Director at Maryhaven regarding Matthew Anderson, Adult Program DA out of the Medford yard: "I have been remiss in not emailing sooner about our conversation regarding your staff person. The aide on that bus named Matt is so kind and patient with the student, it is amazing to see. He walks her to the door each morning and deboards the bus in the afternoon to meet her at the door and escort her on. She loves the attention and special treatment, smiles ear to ear when she sees him. He should be commended for his kindness and professionalism". Congratulations on a job well done, Matt, we are proud to have you on our team!

JULY SAFETY WINNERS: Dalis Canales, large bus; Everardo Gonzalez, van; Duval Willis, DA; Gladys Pacho, Transit; Robert Gerardi, ADA; Ken Brown, Shop; Victor Almonte, management. Congratulations!
