APPRECIATION DAY

We hope you enjoyed the Appreciation Day events last week. We recognized over 2,500 years of service! We appreciate the service you give to your ridership and to the Company!

SUMMER REFRESHERS: The class schedule for summer refreshers has been posted on MPS. The schedule consists of 18 classes in three separate classrooms for both day and evening. Please make sure you attend a summer refresher class so you can pick a route for the new school year. The summer refresher class will be paid upon your return to work in September.

SUMMER WORK: We are planning our summer season! Sign-up is now available on My Parking Space. Click on the Sun icon on your mobile device to sign up. All drivers and DA's hired on 1/1/17 or later are mandated to sign up for summer work and attend the pick. Please help us by signing up. It is so much smoother when supervisors don't have to make calls looking for you. If we have enough employees, you may get the opportunity to 'pass' on summer work. Remember, summer programs are 6-8 weeks in duration.
