CDL PERMIT CLASS: We are holding our next CDL permit class on Wednesday, 8/9, from 10:00AM-1:00 PM at the Safety and Training facility located at 1780 Smithtown Ave, Ronkonkoma [behind Long Island McArthur Airport]. This is a great opportunity for DA's, and friends and family to come in and get more information on driving and obtaining a CDL permit. This class is free, and everyone is welcome. Remember, you get a \$500 bounty for every driver referral you make after they drive for 6 months!

SHOUT OUT: We received the following letter from a parent in the Middle Country School District-"Too often you likely receive calls and emails with complaints and grievances. On this occasion, I wanted to reach out to express just how wonderful the drivers and DA's that my son has had this past year are. This summer and the school year the drivers and DA's were so warm, courteous and comforting to my son. As a mom of a special needs child, I can't begin to tell you how good and reassured it makes me feel knowing my son is being taken care of by such a caring crew once he steps on that bus. I can tell that my son feels so comfortable riding with them. I wanted you to know that you have an absolutely incredible crew. I appreciate the standards and level of care that Suffolk Transportation has demonstrated with my family."
