SUFFOLK TRANSPORTATION SERVICE, INC

SUFFOLK BUS CORP.

SHOUT OUT: The Transportation Coordinator at Three Village CSD received the following email regarding Karlyn Veltri, van driver, and Lynn Bartkus, DA - "We just wanted to take a few moments to share with you our experience with the summer bus driver and aide. Karlyn the bus driver was absolutely wonderful!! She was always patient with my twins who have special needs. She would always greet the boys and talk to them. From the moment we started the summer program one of them was anxious about the bus. Karlyn would make sure he was safe and wasn't hitting himself. After a few days, he would greet Karlyn with a huge smile and couldn't wait to go on the bus!! Lynn was the bus aide and she was fabulous as well!! She always kept my son calm and would have daily conversations with my other son. She was very patient as well!! They even invited Karlyn and Lynn to Christmas dinner! Anyways, the care that they both bestowed on my sons will never be forgotten. They are both wonderful. It gives my husband and I such peace of mind knowing that they are in such good hands with them both."

BACKPACK PROGRAM: Suffolk Transportation and the Make It Count Foundation joined together again this year to prepare backpacks with school supplies for students in need throughout Suffolk County. Laura Dandrea, STS, and John Reese, Make It Count Foundation, led the charge along with STS employees & Make It Count volunteers to compile 500 backpacks filled with school supplies. We are proud to do more than just transportation!
