EMPLOYEE APPRECIATION DAY: A huge thank you to everyone who came out to celebrate Employee Appreciation Day! Your energy, smiles, and team spirit made each event truly unforgettable. We were honored to be joined by Suffolk County Executive Ed Romaine, Islip Town Supervisor Angie Carpenter, and Legislator Nick Caracappa, who shared kind words and presented proclamations recognizing our amazing team's years of dedicated service. Their heartfelt tributes were a wonderful reminder of the incredible impact our employees make every day. From inspiring speeches to delicious food, laughter, and lots of great memories, the day was packed with joy

and appreciation. We're so proud to celebrate such a talented, hardworking team, thank you for being the heart of what we do!

To see more photos from Employee Appreciation Day, please visit our Facebook page.

THE POWER OF APPRECIATION: In every successful organization, there's one common thread—people. Employees are the heart and soul of our workplace, and recognizing their hard work, dedication, and contributions is more than just a kind gesture—it's powerful for building a thriving culture. Employee

appreciation goes beyond annual events or a thank-you. It's about a culture where people feel seen, valued, and motivated. Whether it's a shout-out, a personalized note, or a full-blown appreciation day, taking the time to celebrate together makes a lasting impact. At the end of the day, appreciation is simple: it's about saying, "We see you. We value you. And we couldn't do this without you."
