

THE BUS STOPS HERE

Safety Newsletter

June 20, 2025

SUFFOLK TRANSPORTATION SERVICE, INC

SUFFOLK BUS CORP.

SEE YOU IN SEPTEMBER: All school bus drivers and driver assistants are asked to confirm their intent to return for the upcoming school year in September. This information is essential for our planning efforts to ensure we have the staffing necessary to meet the needs of our students and families. Please visit My Parking Space and select the 'September Pick Card' option to submit your response.

PSEG TRANSPORTATION ELECTRIFICATION ROUND TABLE: We were honored to have our Director of Vehicle & Facility Maintenance, Teno Gustavson represent our organization as a featured speaker at the PSEG Long Island event held on June 13th. Teno was invited to share his expertise on transportation electrification, highlighting innovative programs and valuable resources available to support businesses in the transition to electric vehicle infrastructure. His presentation focused on practical strategies for implementing EV charging stations and emphasized the importance of sustainable transportation solutions in shaping the future of our communities.

SUMMER PICK: School bus drivers and driver assistants can view their assigned pick date, time, and location by visiting the 'Pick Information' section on My Parking Space. To access My Parking Space, employees should go to suffolkbus.com and click on the 'Employee Portal' tab.

SUMMER REFRESHERS: Signing up for the summer refreshers will be available June 20 after 12noon. Please ensure you attend the class for which you registered and arrive on time. Late arrivals will not be admitted once the session has begun.
