It was a perfect summer day for baseball as campers from Driftwood Day Camp, Great South Bay YMCA, Bay Shore Schools, Park Shore Day Camp, and the Town of Islip Camps gathered for an exciting outing at the Long Island Ducks game. A special highlight of the day was seeing Suffolk Transportation proudly featured on the Ducks' jumbotron scoreboard, showcasing our commitment to the community and the joy of

supplies for students in the Brentwood, Central Islip, Longwood, Lindenhurst, and Middle Country School Districts. A special thank you to Senator Monica Martinez for joining us and supporting this meaningful initiative.

**LAST CALL FOR SUMMER REFRESHER CLASSES:** There are only four Summer Refresher classes remaining. If you have not registered for a refresher class, please contact Linda Licata at [llicata@suffolkbust.com](mailto:llicata@suffolkbust.com). All remaining classes will be held at the Safety & Training Center at 1780 Smithtown Avenue, Ronkonkoma.

### Exciting News: An Enhanced Safety Feature is Coming to Suffolk Transportation!

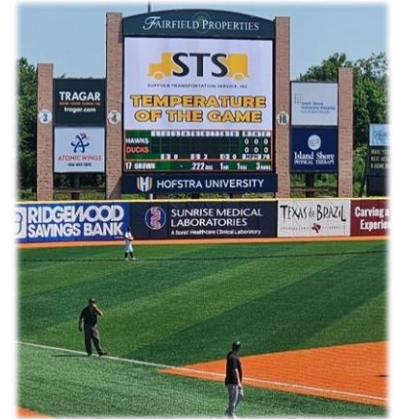

We're thrilled to announce the upcoming launch of a cutting-edge accident-avoidance AI camera system designed with you, the driver, in mind. This advanced safety platform helps you stay alert to hidden risks on the road by providing real-time feedback that reinforces safe driving habits. It also recognizes your hard work with positive reinforcement and performance-based rewards. Stay tuned for more details in the coming weeks we're excited to roll this out together!

**Cell Phone Policy:** To ensure the safety of all employees and the public, Suffolk Transportation and Suffolk Bus strictly prohibit the use of cell phones while operating any company vehicle.
