

A Partnership in Safety

October 2, 2026

Pedestrian Safety Starts With Us: October is Pedestrian Safety Awareness Month. Every employee plays a role in keeping our workplaces and communities safe. Whether you are walking through a transportation center, crossing a parking lot, moving through a bus yard, or loading and unloading your vehicle, staying alert and following pedestrian safety practices can help prevent injuries and accidents.

Always use designated crosswalks when available, make eye contact with drivers before crossing, stay alert to moving vehicles and equipment, and avoid distractions such as cell phones while walking. In transportation centers, parking lots, and bus yards, remember that drivers may have limited visibility. Never assume a driver can see you. By working together and remaining aware of our surroundings, we can help ensure that everyone arrives safely at their destination every day.

Join the 2026 Snow Team!

Winter weather is just around the corner, and we are looking for dedicated employees to join our 2026 Snow Team. Snow Teamers must be ready, willing, and able to report to their home center when called upon to assist with snow removal from walkways, buses, and vans, helping keep our locations safe and operational. If school remains open, Snow Teamers will be paid their regular hourly rate for time worked. If school is closed, Snow Teamers will receive their route hour guarantee plus their hourly rate for all time worked. Step up, help your team, and make a difference this winter. Sign up today with your supervisor and be part of the team that keeps Suffolk Transportation Service, Inc., moving safely through the snow!

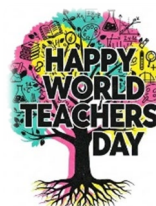

New York State Unemployment System Upgrade

The New York State Department of Labor has announced a temporary shutdown of its unemployment insurance system during a scheduled technology upgrade starting November 2nd and continuing for approximately nine to 12 days. Employees who may need unemployment-related services during that time are encouraged to plan ahead and visit the New York State Department of Labor website at labor.ny.gov for the latest updates and information. Employees with questions regarding unemployment insurance claims may also contact the NYS Department of Labor Telephone Claims Center at (888) 209-8124, Monday through Friday, 8:00 a.m. to 5:00 p.m. The modernization effort is intended to improve future claim processing and online services.

TRANSIT SENSITIVITY CLASSES

Transit Sensitivity Classes will be held on **October 4, October 10, October 20, and October 22** from **7:00 AM to 11:00 AM** at **1780 Smithtown Ave., Ronkonkoma**. Registration is now open on **My Parking Space (MPS)**. To register, log into MPS, select **My Classes**, then click **Upcoming** and choose **one class date only**. Employees are required to attend **one session**. Please register as soon as possible to secure your preferred date. Based on the SSPP, Transit Sensitivity Training is part of the Company's ongoing safety and training program.

World Teachers' Day is Monday, October 5th. We honor the extraordinary dedication of educators who shape minds, ignite curiosity and build the foundation for our future.
